

Grade 6/7 MACC CLASS SUPPLY LIST – CAPITOL HILL

In our MACC 6/7 class, many items will be shared supplies, and our supply list is different from the intermediate grades at Capitol Hill. This is a preliminary list; more items may be added in September or during the school year. Some items will be communal (shared by all) and some will be for personal use. Most of the “specialty” items are available at Staples. In order for our classroom to function efficiently, it is important that you have all of your supplies and that they arrive during the first week of school. If the purchasing of these supplies presents a financial hardship for your family, please speak with Mr. Gaitens at the beginning of the school year.

The items listed here should not have personal names as they will be communal items for shared use:
