

Capitol Hill Elementary School

Supply List – Kindergarten

For the 2024-2025 school year, Kindergarten teachers are asking parents to purchase school supplies. We feel it is important for each student to have good quality supplies for your child's success. (Please avoid Dollar store brands). Brands that are highly recommended are: Crayola, Elmers, Staples, etc. You can buy these supplies at the following stores, online or in person:

- Staples
- Walmart
- Superstore

NOTE: In the summer Walmart and Staples often have reduced prices – look out for the sales at all stores!

Parents please provide the following items in a bag for September 16, 2024, marked clearly with your child's name for identification
