

# Capitol Hill Elementary School

## Supply List – Kindergarten

For the 2025-2026 school year, Kindergarten teachers are asking parents to purchase school supplies. We feel it is important for each student to have good quality supplies for your child's success. (Please avoid Dollar store brands). Brands that are highly recommended are: Crayola, Elmers, and Staples. You can buy these supplies at the following stores, online or in person at Staples, Walmart or Superstore.

**NOTE:** In the summer Walmart and Staples often have reduced prices – look out for the sales at all stores!

Parents, please provide the following items in a bag for September 15, 2025, marked clearly with your child's name for identification
